

CARE COORDINATOR

A commitment to caring.

Serve people first. Respect choice. Promote quality of life.

Elder Independence of Maine is seeking individuals to join our growing team providing care coordination services in our offices or from a remote, off-premise location, such as a home office, particularly in the most Northern, Southern, and Coastal areas of the State. Individuals will manage home care services for the elderly and adults with disabilities with an emphasis on consumers participating in at-home Long Term Care Programs. Work may also include evidence-based practices, depression awareness and education. Case Management is within a computerized office setting during daily work hours, Monday through Friday and may include travel for home visits to consumers.

The qualified candidate must have a bachelor's degree in nursing, social work or a related Human Services field; be a Licensed Social Worker or Registered Nurse within the State of Maine, have two years of community experience, working knowledge of long term care services, and case management experience. Preference will be given to those with the Certified Case Management Certification (CCM) or MSW. Motivational interviewing skills, experience with home visits, working with ethnic minorities and project management all a plus.

Salary is commensurate with experience. Interested candidates should submit a letter of interest including salary requirements and resume to: jobs@seniorsplus.org or:
